

Signs of Life

BY PASTOR KOEPEL

“I will give them a heart to know Me, for I am the Lord; and they will be My people, and I will be their God, for they will return to Me with their whole heart.” –Jeremiah 24:7

Greetings people of the Good Shepherd! Another addition of the Parish Pulse just for you!

It's summer, my favorite time of the year as many of you know. And I am currently writing this on my phone, while I'm vacationing in the north woods...because I failed to do it before I left! I have a deadline to meet, and I'm going to try.

So, since this newsletter is called The Parish Pulse, I thought I would look up what the Bible has to say about the word "pulse..." Well, the Bible has nothing to say about the word, "pulse" as we know it! We know "pulse" as a vital sign of life. Medicine past and present has measured the rhythmic pulsation that can be felt at various points on the body for signs of illness, love and stress. From birth to death, your pulse confirms that you're alive.

The Bible refers to the word "pulse" three times in the Old Testament (1 Samuel, Daniel...and maybe Lamentations) and always refers to beans, or legumes, or some kind of edible, smashed, beaten up, veggie food...The Hebrew word for pulse is Zera; something sown, a vegetable (as food). So, so much for my word play with the pulse!

Anyway, back to our understanding of "pulse" and what's going on in our Parish. Vacation Bible school happened which elevated the pulse of some kids and, I'm sure, our many volunteers and teachers. Outdoor worship and a picnic, along with some games and competition is a good way to raise the pulse. Seeing a nice crew of people from all over the country at church during EAA week in Oshkosh raised my pulse a bit. Seeing a full church on Sunday mornings in the middle of summer should raise your pulse. The excitement of things on the horizon with our youth group & strategic planning committee maybe raises your pulse. The fellowship, the comradery, and the friendships being forged at church raises my pulse a little. All good things, and good for the heart.

While I am on vacation, trying to keep my pulse rate very slow and steady, I am excited about the things that are in store for us at Good Shepherd. What a great place to belong!

The bread we break together may not be the legumes and smashed beans Scripture speaks of regarding "pulse" but it's even better...it does, as our understanding of the word denotes, remind us we're alive! ...and forgiven! And that should certainly raise your pulse!

As the steady beat of the Church moves on, I pray you are taking advantage of all the things we have going on here to sustain your healthy diet in Jesus. Be good to your heart! Thanks for all you do, enjoy the summer and, we'll see you in a few!

-P.G.

Exciting Times at Good Shepherd

by Daniel Weiss, *Stewardship Chair*

Hello, friends. I have the joy of sharing our plans to help GROW our congregation. With the freedom we have from paying off our debt (thank you, again, for helping so generously with this!), we are now able to invest in building for our future in Oshkosh and the surrounding communities. As head of the Strategic Planning Committee, I have been blessed to see our Council and members explore updating our building and grounds and our Staffing Needs Sub-committee discuss the next steps for growing our professional staff.

We are at a point where we need YOU to keep the momentum building. We will be sharing a survey link in the weekly email for the next 2-3 weeks. The link takes you to a VERY SHORT survey that will allow you to tell us where you think our current and future needs are. As our congregation has grown over the past few years, the pastoral needs far outweigh what one pastor can accomplish, so we are asking you to identify which needs we should focus on as we begin exploring the Call process.

Your responses are anonymous, but we are asking for demographic information to help us understand all ages and stages of our congregation. Each communicant member of Good Shepherd is allowed to complete the survey once. Yes, we want our high school and college youth to weigh in, too! If you don't want to go online or if you and your spouse share an email address, you may fill out a paper form that can be returned to the office.

Please join me, the Board of Elders and the entire Council in praying over this process, and especially, that we know and follow God's will. Thank you.

Daniel Weiss
Stewardship Chair

Summer Updates

by Chad Smith, *Congregational President*

Dear Good Shepherd family,

Wow did summer fly by! The family and I have spent many hours at the baseball diamond with the boys. Great fun, great friends, and great family time.

Hopefully you've been attending Sunday service and have met some new folks. Please remember that we go back to two worship services (8:00 am and 10:30 am.) after Labor Day). The Council continues to work through strategic planning as reported at the last Voters Meeting.

You'll notice some fresh dirt in front of church. Special thanks to David Leinweber for helping us get the grass started during the heat wave.

Please reach out if you have any questions or concerns.

May you appreciate the Lord Almighty who is our strength.

Chad Smith

Giving Cheerfully

by Fred Kirchenwitz, *Head of Elders*

At our last Voter's Meeting on June 26th we had a very "lively" discussion about money. Good Shepherd is in a very unique position that most other churches are not. We have paid off the mortgage on the building and find ourselves with some excess funds, along with a lot of opinions on how they should be used. The Strategic Planning Committee has surveyed the congregation and prioritized some of the categories where the church could use some improving. Everything from the lighting to the sound system, to painting the walls in the church proper. All are very worthwhile expenditures! Many of our members want to donate specifically to these items, as was done with the new sign out front. I would like to thank them all for their incredible generosity, but I think it's important to look back and see how we got this point.

Not too long ago, our church was in a very different financial and communicant position. Attendance was down, as were our funds, and we were without a permanent pastor. The church went through the call process, and by a unanimous vote we called Pastor Koepsell. Suddenly, Good Shepherd had a caring, dynamic preacher who could communicate with you if you were aged 8 or 80. Word got out and soon people started coming to see what was going on at the corner of Westhaven and 9th. Knowing Pastor Koepsell, he would be embarrassed and maybe even a little angry with me for portraying him in this light. So to be clear, I'm not saying he is the ONLY reason that Good Shepherd is thriving, but I believe you can't deny that the Holy Spirit is working through him! Pastor once told me that it's easy to be a pastor. Write and preach a good sermon and love people and all the other stuff will fall into place. I believe that's true to a point, because our congregation has grown so much that we are now at a membership number that is almost twice what most pastors handle and I see it beginning to wear on him.

At the beginning of this letter I wrote about the Voter's Meeting and money and the opinions on how to spend it. In my humble opinion I would like us to see if we could start the process of calling an associate pastor. Someone Pastor Koepsell could work with to continue to further the ministry here at Good Shepherd. This is not something that will be easy or quick, but most things worth having don't come easily or quickly. Unlike the expenditures I mentioned earlier, these are not a one time purchase, but instead will become a line item in the budget. Many steps will need to be taken before this comes to fruition. Steps like a needs assessment, a job description, and of course, whether it is it financially possible, just to name a few.

2nd Corinthians 9: 7-8 says, "*Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to make all grace abound to you, so that having all sufficiency in all things at all times, you may abound in every good work.*" So that is my challenge to the congregation, that we may abound in every good work and seriously look into what it takes to continue to move the ministry forward in regards to staffing and what each one of us can do to make that happen.

In His service,
Fred Kirchenwitz

Encouraging One Another

by Sharon Leinweber, *Fellowship Chair*

Hello, Fellow Members of Good Shepherd Lutheran Church.

I hope that everyone is enjoying summer as it speeds by. Most are busy with activities for the kids, sports, family vacations, and maybe even a little down time. I know that I could sure use some!

With so many things going on, it made me stop and wonder why Fellowship is so important at Good Shepherd. I did some research (Google), some personal evaluation on why it is so important to me, and praying. There is a wealth of knowledge out on the internet but I found that the following reasons really hit home with me:

- **Building Community:** Fellowship provides an opportunity for church members to come together and build a sense of community and belonging. It allows individuals to connect with others who share similar beliefs and values, fostering a supportive and caring environment.
- **Spiritual Growth:** Through fellowship, people can engage in discussions, Bible studies, and prayer groups, which contribute to their spiritual growth and understanding of faith. Being part of a fellowship helps individuals strengthen their relationship with God and deepen their faith.
- **Support and Encouragement:** In times of joy or hardship, fellowship provides a support system. Church members can encourage and uplift one another, share their struggles, and celebrate their achievements. This sense of support is especially valuable during challenging times.
- **Sharing and Service:** Fellowship often involves serving together in various outreach programs and community service initiatives. It enables church members to collaborate in making a positive impact on the world around them and living out the teachings of Christ.
- **Strengthening Relationships:** Spending time together, engaging in social activities, and celebrating important events create strong bonds between individuals. These relationships can extend beyond the walls of the church and foster a sense of unity within the wider community.
- **Welcoming Newcomers:** Fellowship plays a crucial role in welcoming newcomers to the church. It helps them integrate into the congregation, make new friends, and feel at home in their new spiritual community.
- **Mutual Accountability:** Fellowship allows church members to hold one another accountable in their faith journey. They can challenge each other to live according to Christian principles and help each other stay true to their beliefs.
- **Celebrating Together:** Fellowship provides opportunities to celebrate special occasions, holidays, and religious events as a united community. These celebrations reinforce the shared identity and faith of the congregation. Overall, fellowship is a vital aspect of Good Shepherd Lutheran Church because it enriches the lives of its members, deepens their faith, and strengthens the sense of belonging to a loving and caring spiritual family.

Going forward I would encourage all members, old and new, to visit a Fellowship Board meeting and see what we are involved in. We meet the first Tuesday of the month at 6:30 pm. Please consider stopping in and seeing what is happening. Hope to see you soon!

And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching.

August's Mission of the Month...

In August, Good Shepherd's mission money will go to support Pastor Stephen Wiesenauer and his family as they minister to the people in Burma. Please take a moment to read about how God is working through this amazing family.

VBS—In The Jungle

Blessed are those who mourn, for they will be comforted. ~Matthew 5:4

In Burma, one of the biggest needs is for children's uninterrupted education and interaction with other children. Many parents are too afraid to send their children to school due to the constant passage of fighter jets over the villages. They prefer to keep the children within arm's reach, effectively closing the local schools. In early May, together with local teachers, we helped combat this fear and bring joy in several villages through short VBS style programs called the Good Life Club. In five locations, both villages and jungle camps, we reached over 600 children who came out to see skits, sing, dance, play games and laugh. We helped encourage them emotionally and spiritually. Fear has no home where children are laughing and singing. Depending on the location, programs lasted 2 to 3 hours. After the children's programs, Stephen together with a local teacher had many opportunities to minister to adults. They reached about 360 adults with separate preaching and teaching programs. People were exceedingly hungry for God's word as the gospel brought peace and healing.

In one location, Khuafu Village, about 60 villagers gathered and talked openly about a bombing that killed 9 people in their village in March. Through tears, one man talked about losing his two sisters. Another talked about losing his wife and daughter. Another cried as he said he missed his daughters Lenzi and Sofia. This was the first time they had been able to talk openly about what happened. Several people told us our visit made them realize they are not alone. The time we took to be with them and listen was a powerful reminder that Jesus is always with them and listens to their prayers. Talking about what happened, praying about it, and pointing to God's promises brought them true peace and joy.

We are the Wiesenauer Family, Stephen and Krista and our children Lydia, Josiah, Greta, and Micah. Our work is funded 100% by the financial support of friends like you! Please pray and consider regularly supporting the our mission. Visit our giving page to start supporting us, subscribe to our newsletter, and become gospel partners.

Unleashing Some Fun

by Nikole Vergin, *Sunday School Superintendent*

Late in July, VBS returned to Good Shepherd with a small but mighty crew of kids. The theme was "Pets Unleashed". Thank you to all of the volunteers who gave of their time and talents. We also appreciate all of the donations from congregation members. As you can see, a great time was had by all!

LWML

by Jill Botsford, LWML

Greetings from your LWML. Well, the 2023 National Convention is history. Mary and I came home energized and ready to serve the Lord and the LWML with gladness. The picture on the right is of the South Wisconsin LWML banner being marched in at the opening ceremony. Such beautiful banners representing every corner of the world were seen during this ceremony! God's Word is being spread through these wonderful women. Ladies, remember that you are all part of the LWML here at Good Shepherd.

This October we will be hosting the Fall Rally for our Zone 11 here at our church. Please pray as we prepare for this. We could surely use some extra help with hosting this. It's a great opportunity to see what LWML is doing worldwide and even here in Oshkosh. We are praying you will come and join us...our next meeting will be September 12th at 6:30 p.m. If you have any questions or would like to volunteer, please contact Mary Becker at 920-229-9561.

Respectively submitted
Jill Botsford, LWML Secretary

OUTDOOR WORSHIP

Mark your calendars. On Sunday, Aug 6th, we will be holding our Sermon on the Green/Church Picnic. Church service will start at 9:00 AM, with the picnic to follow. There will be activities for members of all ages including a cornhole tournament, dunk tank, and bounce house.

Instead of bringing up the heavy folding tables from the church basement, we are looking for people to bring light weight plastic 6' or 8' folding tables from home. If you are able to do so, please let Sharon Leinweber (sharon.leinweber@yahoo.com) or the church office (church@oshkoshgoodshepherd.org) know. We are also still looking for pop-up shade canopies for the picnic and players for the cornhole tournament. Sign up sheets are in the atrium.

Music Ministry

by Cam Bedroske, Music Director

We give thanks to all of our musicians and choirs whose music blesses our worship. God is the author/composer of music and we use it to give praise and thanks to Him. It is a voice of joy and meditation!

Summer has been a time of rest from the large ensembles, choirs etc. That does not mean that long range planning has not been happening.

Here are a few highlights:

- Planning for the church picnic - (Sunday, August 6th) We have booked a very special treat for all of us and our friends. If you have been around for more than a few years, you will remember the polka bands that lead our music/hymns at the occasional service. Well, this year we will enjoy that again. We have booked a small, polka-style band!

Fall Scheduling - We will keep our current schedules for the large ensembles:

- First Rehearsals will be announced in Aug.
- Chime Choir: Mondays 5:30-6:15p.m.
- Adult Choir: Mondays 6:30-7:30p.m.
- Children's Choir: Sundays 6:30-7:15p.m.
- Concert/ Hymn Festival: Sunday Oct. 15th @ 3:00 pm. I am arranging for a Brass ensemble and also a string ensemble. It will be a huge blessing.

P.S. Summer can also be a time to explore small ensemble singing or solo work. Contact Cam if you would like to offer music this summer at 920-426-0533. I can find time or music for you.

Treasurer's Report

by Diane Flouro, Treasurer

I hope everyone's summer is going well so far. During the Voter's Meeting at the end of June, there were questions about the Strategic Fund and what has already been collected. Included below are the designated funds we currently have in our money market account. Below, I have listed the last two months of our financials as well as a listing of what we currently have designated. If there are any questions on how we break things out, please let me know. I would also like to ask if there are any investment folks in the congregation, to reach out to me so we can maybe invest some of the monies we have that aren't needed immediately.

I also wanted to let everyone know, Chris Feutz (Financial Secretary) and I figured out that we can use Shepherd's Staff for all donations that you may not be able to deduct for tax purposes (non-deductible). This includes giving through your IRA RMDs (required minimum distributions). On your statements, you will see the contributions, but it will say it is not deductible. We want to acknowledge all your generous donations but have been working out how we can do so. Well, now we can 😊! Again, if you have any questions about your statements, you can reach out to me or Chris Feutz. We are hoping to run statements two times a year.

As always, remember you can also reach out to me regarding Joyful Response giving. If you prefer to use a credit card, you can donate through Thrivent and they will pay all the fees. Here is the link: service.thrivent.com/apps/ThriventChoiceMemberWeb/public/organizationSearchResults (it also can be found on our Good Shepherd website, located under "Worship" then "Donation"). If you have any questions about either of these topics, please let me know and I would be happy to discuss them. My cell phone is (920) 420-5841 or email at flourodi@yahoo.com. Here is a summary of the designated funds and the last couple of months of giving/expenses:
