

THE PARISH PULSE

Time to Shine

BY PASTOR KOEPEL

May the God of hope fill you with all joy and peace as you trust in Him, so that you may overflow with hope by the power of the Holy Spirit. Romans 15:13 (NIV)

Greetings people of the Good Shepherd!

Fall is in the air! I know some of you love this time of year but I have yet to understand why. Yes, the colors can be beautiful, the air is crisp, sweatshirts, football, bonfires, and pumpkin spice lattes are back...

...But the days are growing shorter and shorter on sunlight, a reminder of the cold dark days of winter that are ahead. Things are going dormant, pools are shut down, boats & badminton nets are put away, shorts and flip flops give way to long pants and socks. Summer vacations give way to work. And we keep rolling on. Because we are filled with hope by the power of the Holy Spirit.

We are blessed to live where we do here in beautiful Wisconsin where there are four seasons (though I do wish some were longer/shorter than others). I don't take for granted the fact that we don't have hurricanes or earthquakes, venomous snakes, crocodiles or cockroaches...and in case you missed it, we hardly even had a mosquito to complain about this summer. For some, we can thank our ancestors for settling here in this great piece of God's creation. They too were filled with hope by the power of the Holy Spirit.

October. The month we celebrate the Reformation. Remember, Dr. Martin Luther never wanted a new Church, he wanted the One Church to be "reformed," to go back to the one holy Christian, apostolic Church. One Universal Church (with a capital C). It didn't work out quite like he wanted, but God made it work out in His way. Because of the Reformation, there are now many ways for many people to seek and find God in a way that feels comfortable to them. Thanks be to God! There are many ways people can connect to God and continue to feed that hope within them powered by the Holy Spirit---which always points to Christ.

November. Thanksgiving. All Saints Day. Advent (the preparation for celebrating the birth of Jesus) begins. Everything in full swing. More opportunities to receive God's gifts and give God glory, so that you may overflow with hope by the power of the Holy Spirit.

There are many opportunities for you to overflow with hope here at Good Shepherd in the coming weeks. Take a look inside at things that are coming up, or on the horizon at your church. This is your time. Your time to shine. Please consider helping out/participating if and when you can.

(Continued page 2)

Please prayerfully consider joining one of our boards here at church. You should be learning more about them in the coming weeks as they seek and desire you to be a part of this movement we have going on here, and, "May the God of hope fill you with all joy and peace as you trust in Him, so that you may overflow with hope by the power of the Holy Spirit.

I'll be doing it all right with you as I look forward to spring, enjoying the warmth and light that God and His people give at Good Shepherd Lutheran Church...even in the days that may seem dark.

Stay awesome, people of the Good Shepherd! See you at Church!

Harvest Time

by *Keith Casey, Church President*

Greetings and the Lord be with you!

Here we are in the last three months of 2022 already! Hopefully you all had a glorious summer and are looking forward to the beauty of changing leaves and the smell and feel of those crisp autumn days our Creator will bring us. We accomplished a lot this summer at the church; there are a few things left to do, but the main projects are in good shape. The building is a bustling, vibrant place each day. Praise the Lord!

Please save the date of Sunday, October 23rd, as we will need your presence at the Voter's Meeting after the second service. Your Church Council and all the leaders appreciate being able to communicate personally at these meetings. Please join us.

Reformation Day is Sunday, October 30th. Please watch for details in your worship bulletins, e-blasts and this newsletter. Imagine for a moment what Martin Luther did that October 31st in the year 1517! Nailing the 95 Theses on the door of the All Saints Church in Wittenberg, Germany was an amazing act for which we should be grateful. Praise the Lord and thanks be to God. Let's enjoy being Lutheran Christians!

The Harvest Moon lit up the night sky recently marking the end of summer and the beginning of autumn. Sandra and I enjoyed the sight from our deck as the moon rose in the eastern sky; a beautiful thing to behold. Harvests don't happen by accident. There's a time for the harvest and someone has to do the work. The "crops" need to be sown and then nourished for the harvest to be a success. Our Lord in Luke Chapter 10 is reported to have personally selected those workers and directed them in their tasks. Jesus is the Lord of the harvest and says, "*The harvest is plentiful, but the laborers are few. Therefore, pray earnestly to the Lord of the harvest to send out laborers into his harvest.*"

Jesus was working to establish His kingdom on earth and spreading the Word to the world. In John we even read that Jesus says his "food" is doing this work---the work of the one who sent him. He lived and died that salvation and grace would be available to everyone who would hear and believe. Our mission is to do this work and to do this for Him we need to become willing to step up to the plate and be counted among the laborers. Please consider giving of your time, talents and treasure accordingly as we wrap this year up and together face the challenges of the coming year united in purpose and rock solid in our faith. Our Lutheran doctrine, born on October 31st, 1517 is a treasure. Let's sow faith in hearts with the Holy Spirit lighting their souls, help that faith to grow strong and guard what we have sown for the harvest to come!

Pray for the Christians on earth, the LCMS and our missions, the South Wisconsin District, and Good Shepherd. Give thanks to the Lord God Almighty for all He has done! Amen.

Keith A. Casey
Congregation President

In His Service

by Fred Kirchenwitz, *Head of Elders*

To serve or not to serve, that is the question: Whether to suffer the slings and arrows of time commitment, self denial and participation vs. free time, leisure and apathy? I'm sure all of you Shakespeare fans are probably rolling your eyes right about now, but sometimes a slightly turned phrase or quote can make a strong point!

About some 30 years ago when we were still the church of the "hissing chairs", someone asked me to step up and teach 7th and 8th grade Sunday School. I was a bit hesitant. After all I was relatively new to Good Shepherd and wasn't all that confident I could do it, but after prayerful consideration I said yes to do this task "in His service." I can truthfully say it was one of the best decisions I've ever made! It solidified Good Shepherd as my home and has led to numerous blessings such as being closer to my Savior, study of His Word and lifelong friendships, just to name a few.

My purpose in this letter is to encourage all of you to take that "leap of faith" that I did. Not in the faith that is our gift from the Holy Spirit, but as Paul so confidently writes in Philippians 4:13, "*I can do all things through Him who strengthens me.*" I've served in a lot of different capacities at Good Shepherd and I've joked with some of you that I'm certainly NOT Mr. Right, but instead I'm Mr. right NOW. That's what I want all of us as members to be; Mr. or Mrs. or Miss Right Now. If you have a specific skill such as music, teaching, landscaping etc..... then by all means volunteer to do those things. But PLEASE, don't let fear of failure, or lack of confidence, or even life's pressures stop you from serving HIM. Jesus tells us that He is with us in all these matters! 1st Peter 4:10 also tells us, "*Each one should use whatever gift he has received to serve others, faithfully administering God's grace in it's various forms.*"

Sharon Leinweber and Pastor discussed with the group at bible study about volunteering for a "one and done". That's doing one task, one time for an event, project or wherever needed. I would like to amend that phrase to, "one and done.....for now". My prayer is that when you do participate that one time, the Holy Spirit will lead you to find other ways to serve with your church family in ways that might be a little out of your comfort zone, but lead to blessings unforeseen!

One of my favorite hymn's is "Hark the Voice of Jesus Crying", and I thought verse four would be a appropriate way to summarize this letter (shown below).

In His service,
Fred Kirchenwitz

“
Let none hear you idly saying,
"There is nothing I can do,"
While the souls of men are dying
And the master call for you.
Take the task He gives you gladly,
Let his work your pleasure be;
Answer quickly when He calleth,
"Here am I, send me, send me!"
-Hark the Voice of Jesus Crying, verse 4”

Treasurer's Report

by Diane Flouro, Treasurer

Happy Fall! By the time you read this, the leaves will have begun to fall. We are doing well financially. We have put a payment down for the church sign and the process has begun. Thank you to all who contributed to this endeavor. As you can see by our financials below, we are doing well. We will be paying our mortgage off by the end of the year—another huge thank you to all of you for your giving! Thanks be to God! I am still asking you all to consider automatic giving through Joyful Response. It is so very easy for me to set up and I am willing to change whenever and however often you would like. There are forms to complete and they are located in my mailbox in the church office in the manila folder. Just grab one, bill out and place back in my mailbox and I will take care of it.

Below is a summary of the last couple of months of giving/expenses.

As always, if you would like any details behind the numbers, please feel free and reach out to me. My cell phone is (920) 420-5841 or email at flourodi@yahoo.com.

Disappearing Act

by Daniel Weiss, Head of Stewardship

Get ready to celebrate!

If you have seen the financial reports over the past few years, you may have noticed the most amazing disappearing act. Slowly, at first, but then with increasing speed Good Shepherd Lutheran has been paying down its mortgage. In the next few months, we will be officially debt-free. We are now looking forward to that day with a congregation-wide “Burn the Mortgage” party that will honor and praise our God that has done this great thing and recognize the service of our staff and volunteers that have kept this ministry moving forward.

Look for details in the next few months and please contact me if you are interested in helping (contact details below).

Seeking Ideas for Good Shepherd Ministry

At the September Church Council meeting, a small group was authorized to begin a process of planning for the future. With our debt being paid off shortly, we have more ministry flexibility than ever before. Our strategic planning sessions from the past few years have gotten us to this point and we are pleased to solicit ideas from church members (and visitors).

The process will unfold as follows:

Stage 1: Seek ideas from the congregation through an online form (or a paper form from the office)

Stage 2: Sift through these ideas and determine feasibility

Stage 3: Present a draft report for full Council review and/or revision

Stage 4: Share proposed ministry updates at an upcoming voter's meeting

We need your help. Please share your ideas directly with us at this survey link or get a paper form in the office: <https://forms.gle/PK3eH9hxtU9eqXs39>

If you would like to be more directly involved in this process or have additional questions, please call or email me at (920) 642-3990 or at: dweiss@brushfiresfoundation.org

Fellowship Updates

by Sharon Leinweber, Fellowship Chair

Hello fellow members of Good Shepherd Lutheran Church. I hope all is well with you and your family.

Time keeps moving right along even though we would like to slow it down for just a bit so we can fully enjoy and appreciate all the blessings God freely gives us. At times I find myself taking God and His blessings for granted, not stopping to thank Him for all he does for me. When this happens, it seems something pops up and makes me stop and start thinking. My dear friend sent me the following on a day where I found myself struggling a bit with life in general. Does that ever happen to you? Anyway, the following was waiting for me in my email -

Six Little Stories with Lots of Meanings

1. Once all villagers decided to pray for rain. On the day of prayer all the people gathered, but only one boy came with an umbrella. That is faith.
2. When you throw babies in the air, they laugh because they know you will catch them. That is trust.
3. Every night we go to bed without any assurance of being alive the next morning, but still we set the alarms to wake up. That is hope.
4. We plan big things for tomorrow despite zero knowledge of the future. That is confidence.
5. We see the world suffering, but still, we get married and have children. That is love.
6. On an old man's shirt was written a sentence "I am not 80 years old; I am sweet 16 with 64 years of experience. That is attitude.

While these little stories did make me smile, I thought more about faith, trust, hope, confidence, love, and attitude. What my dear friend did for me was put so many things into perspective on a day when I needed a push – a push to realize that my faith in God is strong, that I trust Him completely, that my hope for eternal life is secure in knowing that Jesus died for me and my sins are forgiven, that with confidence I can confess my sins and know God understands and forgives me, that God loves me completely and I love him, and that with a little bit of attitude I can live my faith every day. I am so blessed to have a friend that knows what I need even when I don't.

I hope each of you has such a friend, or are that friend for someone.

If you are interested in learning more about Fellowship at Good Shepherd, please join us for a meeting on the first Tuesday of the month at 6:30 pm at church. We are not asking you to join the board but rather find out what's going on and see where you would like to join in.

Blessings to all
Sharon Leinweber

*And we know that all things work together for good to them that love God,
to them who are the called according to his purpose.*

LINDA JORDAN'S NEWS AND PRAYER LETTER

SUMMER-FALL 2022

Reflections on family

I thank God for my family and all their love and support over the years. The first half of 2022 saw some major events in my family's story. In late February, my father went home to be with the Lord. Then in early June, we celebrated a wedding, as my nephew Sam and his wife Victoria started their life together. Realizing that I needed to move back to Wisconsin to be closer to my family, I made that transition in late April (see my new address in the margin, right). The part of my work that required my physical presence in Texas can now be done online; most of the rest of my work already happens online. I can really be based anywhere at this point, and I'm grateful that the Lord has led me back to my home state.

Prayer Requests

- Praise God for sufficient focus and mental energy to keep up with my work during the process of moving from Texas to Wisconsin.
- Praise God for the opportunity to attend and give a presentation at the linguistics conference in Germany.
- Please pray that my survey students would be successful in recalling and applying what they learned in class.

Training surveyors

During January-May I taught an online course for Dallas International University, and then June-July found me back in Uganda for iDELTA (Institute for the Development of Languages and Translation in Africa). Following up on what we taught last year, my co-teacher and I gave a course on language survey methods, with lots of hands-on practice (see photo above). I'm blessed to be involved in equipping others to find the remaining Bible translation needs worldwide.

Linguistics conference

On my way back from Uganda in early August, I attended a linguistics conference in Germany. This was a great opportunity to grow in knowledge of current research methods, important for me as I develop and provide training in language survey. I was also able to raise awareness of and promote the Angolan language atlas by presenting a paper about our language mapping project completed in partnership with the Angolan Ministry of Culture.
