Motion M/S/A to approve the minutes of December 4, 2023 Voters' Meeting passed.
Please note the date on these were 1/7/2024 and should be 12/4/2023.

All Boards gave their updates

Some additional comments/questions that were brought up.

- 1) Cam discussed the handbells and she is going to establish a committee to look into the cost and how to move forward with trying to continue the handbell ministry. She noted that the handbells are currently being rented from another church that is not currently using them.
- 2) The Board of Youth is looking for help in getting the high school age students more involved in youth. She is seeking assistance by someone that can do some of the physical activities with the youth that she may not be able to do.
- 3) A member brought up the fact that the lighting in the parking lot is very dim. The board of trustees noted that this will be addressed in the spring. It was also brought up the fact that there should be a sidewalk in the circle drive as many use this driveway as a walk up to church. On Thursday nights it is very dark and hard to see people. The lighting by the doors of the church are also low.
- 4) In the future, it was suggested to have a traveling microphone so everyone can hear the comments made by members.

Meeting adjourned at 10:10 a.m.

Pastor closed with the Lord's prayer.
